Is Absorbing the Attention of the Arms Delegates-Desire to Include United States in New Entente.

Washington, Dec. 6 (By the A. P.) .-The effort to find an acceptable substi-ute for the Anglo-Japanese alliance has o diverted the attention of many of the arms delegates as to throw even the question of the naval ratio temporarily into the background.

Both the Japanese and the British have shown a desire to include the United States in any entente that may replace the alliance, and a tentative treaty liraft under consideration by some of the gov-ernments concerned would provide for \$\flackter{4}\$ quadruple arrangement, also including France

What may have been the attitude of the American delegates in the behind-thecenes developments having to do with he proposal remains a mystery. Taking he position that no entente suggestion is formally" before them, the American representatives steadfastly refuse to disss publicly in any way the possibility f American participation in lanation of the American viewpoint, the

the actual of committee leaders to have virtually is increased.

HENRY W. DEAN HELD FOR MURBER OF A M. PARSONS

Hartford, Dec. 6.—In the first week of the five cent trolley fare test on the lines of the Bridgeport division of the Connecticut company there was an increase of more than 160,000 in the mumber of passengers carried, said the report of President Lucius S. Storrs of the company, which was submitted to Chairman Richard T. Hightins of the public utilities commission today. In suite of this increase in passengers, the receipts on the lines showed a decrease of \$6,461.

The comparison of passengers and receipts is made with the last week of the five cent fare 406,652 five cent fare passengers were carried, although the actual count of passengers would be less the report says, because of the payment of an extra fare by those passengers who cross the zone limit in the center of the content of
